

# BALLENBERG OPEN AIR MUSEUM

## INCLUDED IN THE PACKAGE

Travel back hundreds of years in time as you wander along century-old buildings, farmhouses, bakehouses, barns, and residential structures at the Ballenberg Open Air Museum. Since 1970, these old structures have been dismantled piece by piece and rebuilt in this living history museum, which now showcases approximately 100 Swiss houses and agricultural buildings. Enjoy sightings of over 250 domestic farm animals, flower and vegetable gardens, horse-drawn carriages, and craft houses. See demonstrations by craftsmen and farmers to learn how traditional tools are used. You can also try your hand at rural crafts and visit other attractions to discover more about the Swiss heritage and culture.

Availability: Daily, 13 April – 03 November 2019
